Homecoming—

Once upon a time, on a sunny and cool afternoon in October, the Maryland Terrapins dominated the Duke Blue Devils in their 1982 Homecoming victory.

Likewise did the Maryland Greeks dominate the preceding week of university sponsored Homecoming activity.

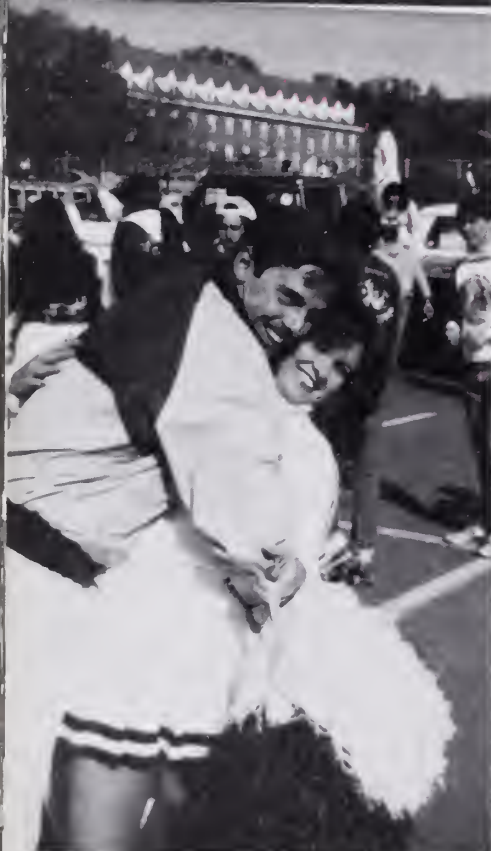

The theme "Once Upon A Time . . ." inspired such match-ups as "The Terp and the Beanstalk," "The Grinch Who Stole Homecoming," "Winnie the Pooh (and Maryland too)," "Hansel and Gretel," and "The Arabian Knights," just to mention a few.

The couples in Thursday night's dance contest all displayed talent and showmanship, with DPhiE and Delta Sig taking the top prize for their "Pinochio" themed dance.

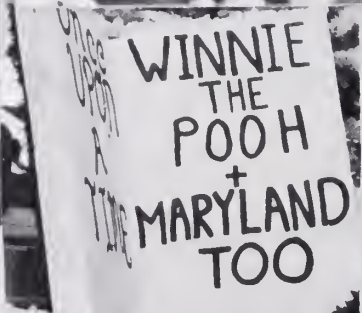

The traditional parade began and ended this year with sun and fair weather, unlike last year's destructive rain. PIKA and Theta's float portrayal of Snoopy and the Red Baron was the favorite, taking the "Best Overall" President's Award. Another winner was DG and ZETE's depiction of the E.T. bicycle scene, which won the first place Chancellor's Award.

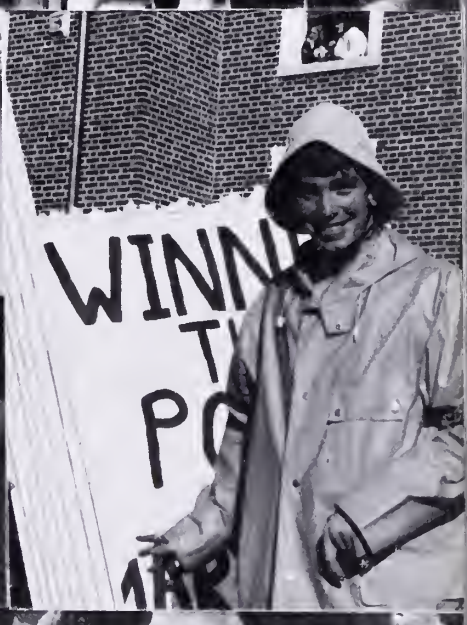

House decorations, another tradition, topped off the weeks student competition, with ATO and KD taking the top honors for the Gingerbread house they created on College Avenue.

After the fireworks, after the scavenger hunt, after all the competition and partying, the Greeks sat back at Byrd, partied a little more, and watched their Terrapins compete . . . and soundly win for us all.

GREEK WEEK 1982

Despite poor weather conditions, Greek Week 1982 was an amazing success for all who participated as well as those who watched. The theme, Broadway Musicals, evoked many interesting ideas from all the match-ups. Beginning with a ceremonial re-dedication and ending with a phenomenal fire works display, Greek Week was quite a spectacle.

Re-dedication, the week's kick off event got underway at 4:00 p.m. Sunday the 18th. During the ceremony, each Greek re-stated his or her pledge to be honorary members of the sytem. The highlight of this event was the recognition of the two outstanding Greeks of the year. Kim Connolly and Steve Brannan were chosen in 1982. Annually, one man and one woman receive this honor. The two were selected by the Kalegathos Society.

Following the re-dedication, the next 5 days were action packed and highly competitive. In the end, only one pair could take the title. 1982 happened to be the year for SAE and KKG with their theme "Babes in Toyland". Some say that the match-up's combined participation of nearly 200 was what pushed them over the top. KD, PKA and Omega Psi Phi took a close second with their theme of "Barnum".

Aside from the overall winners, certain individual events won by other match-ups were particularly exciting. These included "Thumper", won by Theta Chi, SDT and Alpha Epsilon Pi; the olympics taken by AGR, DG DU and DST, and best float won by PKA with their "Pink Paper Machet Elephant".

Special thanks, as well as recognition, must be given to Kim Connolly, "Boomer" Higgins and Craig Thomas who were the over-all chairpersons for Greek Week. As Grace Dobson (Drafter of "Playbill", 1982's Greek Week program), put it, these three occasionally "took a lot of flack", but managed to formulate a fantastic week.

Wrapping up the fun on Thursday nite, the 22nd, was the first annual fire works display launched from the South Chapel lawn. The display proceeded immediately following an amazing performance by the pop group "The Hubcaps". All in all, the week went off without a flaw despite the adverse weather conditions.

OUR
FAITHFUL STAFF... "doing their thing."

SPRING, 1983

On the first day Malcolm shed a glimmer of light on the project he called the FRIEZE. He sighed with relief and was glad to be rid of it.

In the middle of our endeavor he asked us to come together in one place. He called this "organization". We grasped this "organization" and fiddled around with it.

Now this is the end, and another FRIEZE has been conceived. We toyed with our "organization" until it hurt and we dutifully penetrated the Greek System.

The System sighed. We enjoyed it also.

Relax, remember, and let your fingers do the walking.

Fraternally.

NOW WE'VE GOT THE BIGGEST REFRIGERATOR IN TOWN.

We've made our warehouse into a giant refrigerator...a Controlled Environment Warehouse.

Sophisticated temperature control devices make sure the quality Anheuser-Busch beers in our warehouse are kept at the optimum beer cool temperature, because that's the best way to protect their natural freshness and flavor.

Controlled Environment Warehousing. We're keeping ours cool...so yours stays fresh.

Thank you for being a friend to me when needing someone there — my failing hopes to bolster and my secret fears to share . . . Thank you for being so good to me when it was hard to know — the wisest course to follow, what to do and where to go.

Thank you for giving me confidence when I had lost my way — speaking the word that led me through the tunnel of the day . . . Thank you for all you did and said to ease the weight for me — Never intruding, but there in the background, helping quietly.

Thank you not only for sympathy in times of grief and stress — but for all you have meant to me in terms of happiness . . . Many a lovely day we've known and many a laugh we've had — Thank you for being the kind of friend that shares the good and bad.

Patience Strong

In loving memory of Renée Servis

We would like to express our gratitude to those members of the Greek System who gave us support when we needed it most. When our sister, Renée Servis passed away the response from the Greek community was instantaneous. We deeply appreciate the support and friendship that was given to us.

To say thank you is not enough.
